BOWEN UNIVERSITY ANTHEM

Though tongues may differ
In brotherhood we stand in Christ
Hail! Alma mater dear
2. Great Alma mater,

That cannot be shaken
Others may falter
Our conviction we hold so firm
Hail! Alma mater dear

HISTORY OF BOWEN UNIVERSITY

The major foundation of what has become Bowen University today was laid in 1854. That year, the family of the late Rev. Thomas Jefferson Bowen started a school in Ijaiye Orile in the present Oyo State of Nigeria. The school, comprising five stewards of the late Bowens, five other labourers, and a few others drawn to the fledgling school by sheer curiosity, has grown from this little beginning in 1854 into thousands of Baptist Primary and Secondary Schools scattered across the country today. By 1960, there was a Baptist school almost everywhere that was found a Baptist congregation.

The idea of establishing a Baptist University in Nigeria was first conceived in 1938. This was borne out of the Baptist commitment to assist the people to develop their potentials to the fullest. The first bold step towards actualizing this vision was not taken until 1956 when a proposal was presented to the meeting of the Baptist Mission held in Eku from 11th to 14th December, 1956. On the 16th and 17th July, 1957, the joint meeting of the Executive Committees of the Baptist Mission of Nigeria and the Nigerian Baptist Convention endorsed the idea. Since then, the Nigerian Baptist Convention has worked tirelessly, committing time, material and human resources to actualizing the vision. Today, all these efforts are crystallized into the establishment of Bowen University, a significant landmark in the academic heritage of the Nigerian Baptist Convention, making it the first Baptist University in Africa.

On the 17th of July, 2001, the Federal Government of Nigeria approved the establishment of Bowen University and was subsequently licenced to operate by the National Universities Commission.

On the 4th of November, 2002, Bowen University commenced academic activities. With 506 pioneering students admitted into its three Faculties and Agriculture, Science and Science Education and Social and Management Sciences.

In 2006, the National Universities Commission gave approval to the University to recruit core staff for its proposed College of Health Sciences. The College was established in 2008 and both the NUC and the Medical and Dental Council of Nigeria have accredited the programmes of the College while the Bowen University Teaching Hospital has also been established and has received the nods of both regulatory bodies in 2012.

Two additional Faculties have since been established namely: Faculty of Humanities and Faculty of Law. The current Student population of the University is 4,600.

The Chairman, Governing Council, is Deacon Dr. Gamaliel O. Onosode, OFR, while the immediate past Pro-Chancellor is Deacon Prof. Bisi Adebawale. The first Vice-Chancellor was Late Prof. J. T. Okedara while the current Vice-Chancellor is Prof. Timothy O. Olagbemiro, appointed 1st August, 2003.
