| 99. The process of assessing the message and judging the credibility of t | the speaker's intentions is referred to as |
| nark(s)] | |
| A. interpreting | |
| B. interpreting and evaluating | |
| C. examining | |
| D. evaluating | |
| 00. In the process of listening, at what stage is meaning assigned to the A. the hearing stage | message? [1 mark(s)] |
| B. the responding stage | |
| C. the receiving stage | |
| D. the understanding stage | |
| 01. Responding is also known as giving to the sender of message. A. ANSWERs | ge. [1 mark(s)] |
| B. feedback | |
| C. standing ovation | |
| D. a round of applause | |
| 02. An excellent student is certainly committed to [1 mark(s)] A. effective and productive listening | |
| B. passive listening | |
| C. competitive listening | |
| D. fraudulent listening | |
| 03. Quality feedback is a proof of ¬¬¬¬¬¬¬¬¬ | |
| A. active listening | |
| B. pretentious listening | |
| C. combative listening | |
| D. hearing | |
| 04. The ability to store and recollect the message the listener has receiv A. comprehension | ved is a product of [1 mark(s)] |
| B. interpretation | |
| C. evaluation | |
| D. competition | |
| 05. Hearing occurs automatically, while listening requires [1 m A. no conscious effort | nark(s)] |
| B. a conscious effort | |
| C. partial effort | |
| D. a miracle | |
| 06. Hunger is a barrier. [1 mark(s)] A. physical | |
| B. psychological | |
| C. physiological | |
| D. language related | |
| 07. Physiological barriers are otherwise known as noise. [1 mar A. external | rk(s)] |
| B. biological | |
| C. electrical | |
| D. internal | |
| 08. One of the following helps improve listening skills. [1 mark(s)] | |

| 3. listening with empathy | |
|---|----------|
| C. eating while listening | |
| D. talking while listening | |
| 9. The following are examples of physical barrier except [1 mark(s)] 4. side-talks | |
| 3. fatigue | |
| C. hooting of a car | |
| D. coughing | |
| . A good student looks out for both and signals of a lecturer. [1 mark(s)] | |
| 3. written and spoken | |
| C. verbal and non-verbal | |
| D. internal and external | |
| Teaching a 2 year old child with the Use of English manual is what kind of barrier? [1 mark(s)] | |
| B. information overload | |
| C. language related | |
| D. physical | |
| listening is most suitable in a debate. [1 mark(s)] | |
| A. competitive | |
| B. passive | |
| C. fraudulent | |
| D. active | |
| The kind of listening where the listener pretends to listen is called [1 mark(s)] | |
| B. passive | |
| C. competitive | |
|). fraudulent | |
| . A Yoruba-speaking Nigerian visiting China is most likely to encounter which of the following barriers? [1 | mark(s) |
| 3. physiological | |
| C. speaker's presentation | |
| D. language related | |
| . Which of the following is a strategy that helps to overcome psychological barrier to active listening? [1 m | nark(s)] |
| 3. being prepared to listen | |
| C. listening with empathy | |
| D. eating before class | |
| Information overload can be and [1 mark(s)] A. time-bound and content-bound | |
| 3. external and time-bound | |
| C. time-bound and space-bound | |
| D. time-bound and internal | |
| The ringing of a mobile phone in class triggers what kind of barrier? [1 mark(s)] | |
| B. physical | |
| C. psychological | |
| D. internal | |
| The following help improve listening skills except [1 mark(s)] A. borrowing notes and pen in class | |
| 3. taking a light meal before class | |
| C. sleeping well before class | |
| D. focusing on the learning encounter | |
| . A listening driver is likely to discover a mechanical fault faster than a driver who does not have an ear for nark(s)] | r unusu: |

| B. FALSE | |
|--|--------|
| C. none of the above | |
| D. all of the above | |
| 120. A listener who does not seek to verify the authenticity of the information given by the speaker practices what k listening? [1 mark(s)] | ind of |
| A. fraudulent | |
| B. b. competitive | |
| C. active | |
| D. passive | |
| 121. One of these contributes to the poor note-taking skills among students: [1 mark(s)] A. The pace of the lecturer | |
| B. The religion of the lecturer | |
| C. The language of the lecturer | |
| D. The tribal marks of the lecture | |
| 122. Going to class without preparation could mean any of these except [1 mark(s)] A. Going to class without a notebook | |
| B. Going to class without a textbook | |
| C. Going to class without a friend | |
| D. Going to class without a pen | |
| 123. The library is important in note-taking and note-making because [1 mark(s)] A. it serves as a place for reading | |
| B. it has materials useful for note-making | |
| C. it is a must that all students must go there | |
| D. the GST manuals are being sold there | |
| 124 is the act of developing a note during a private time [1 mark(s)] A. Note-taking | |
| B. Note-development | |
| C. Note-making | |
| D. Jotting | |
| 125. What differentiates the act of note-taking and note-making is that [1 mark(s)] A. They are both done in the classroom | |
| B. The former involves reading while the latter involves writing | |
| C. The former is done privately while the latter is done in the class | |
| D. The former is done in a class while the latter is done during study time | |
| 126. Students who find themselves in a large class are expected for effective note-taking [1 mark(s)] A. steal other students' notes | |
| B. get a space close to the lecturer | |
| C. leave the class | |
| D. sleep off in class | |
| 127. It is recommended that a student who wants to meet up with the fast pace of a lecturer should use and mark(s)] | [1 |
| A. abbreviations and capital letters | |
| B. abbreviations and signs | |
| C. abbreviations and symbols | |
| D. abbreviations and codes | |
| 128 is the act of writing important points given by a lecturer in a classroom [1 mark(s)] A. Note-taking | |
| B. Note-development | |
| C. Note-making | |
| D. Jotting | |
| 129. While taking a note, you are expected to include information like and [1 mark(s)] A. your name and tribe of the lecturer | |
| B. the date and time of lecture | |
| | |
| C. the venue and time of lecture | |
| C. the venue and time of lecture D. the tribe and religion of the lecturer | |

| A. arranging the needed books for a class |
|--|
| B. read the next topic ahead of the class |
| C. preparing relevant questions on the topic to be learnt |
| D. eating heavy food before the class |
| 131. One of these is not a step to effective note-taking: [1 mark(s)] |
| A. Sitting next to a pal during class |
| B. Comparing your notes with those of your mates |
| C. Dealing with internal distractions |
| D. Dealing with external distractions |
| 132. All the following are examples of internal distractions except [1 mark(s)] |
| A. Home sickness |
| B. Addictions |
| C. Amorous relationships |
| D. A noisy classroom |
| |
| 133. All these are examples of external distractions except [1 mark(s)] A. Hunger |
| B. A playful pal |
| C. A car horn |
| |
| D. Nervousness |
| 134. All these are essentials for note making except [1 mark(s)] A. A classmates' note |
| B. Journals |
| C. Textbooks |
| D. Lecturer's timetable |
| 135. these are essentials for effective note- making except [1 mark(s)] A. notebook |
| B. pen |
| C. bottle of chilled drink |
| D. prepared mind |
| |
| 136. All these except are responsible for poor note-taking in Nigerian universities [1 mark(s)] A. Overcrowded classrooms |
| B. Non availability of microphones |
| C. Non availability of enough restaurants on the campuses |
| D. Non availability of regular source of water |
| |
| 137. Past questions are important for all these except [1 mark(s)] A. They are essential for cheating during exams |
| B. They provide the foreknowledge that guide in note-making |
| C. It enhances the confidences of the student |
| D. It enables the student to know how questions are being asked on the course |
| 138. Note -making is important for academic excellence because [1 mark(s)] A. it makes you visit the library often |
| B. it enables you to build your knowledge with additional materials |
| C. it ensures the ownership of a neat notebook |
| D. it makes it compulsory for one to own a notebook in class |
| 139. One of the advantages of not delaying the note-making process is that [1 mark(s)] |
| A. it enables a student to have enough notes to copy from |
| B. it is compulsory for all students |
| C. vital information will be remembered vividly |
| D. there is always a prize for those who make notes |
| 140. The acronym OPAC stands for [1 mark(s)] A. Online Private Access Catalogue |
| B. Offline Public Access Catalogue |
| C. Online People's Access Catalogue |
| D. Online Public Access Catalogue |
| |
| 141. A student who is unable to make a comprehensive note in class is advised to [1 mark(s)] |

| В. | compare his or her note with other notes after the class |
|------|--|
| C. | pretend to listen and leave after the class |
| D. | shout down the lecturer |
| | Classmates may be advantageous in note-taking because [1 mark(s)] they always write notes faster |
| В. | they could offer their notes for corrections |
| C. | they are helpful for a gist during class |
| D. | they always understand the lecturer's language |
| 143. | Classmates may not be harmful in note-making because [1 mark(s)] |
| | they could serve as sources of distraction |
| В. | they could help one to write notes |
| C. | they always go to class with phones |
| D. | they always sit in front of the class |
| | All these are examples of external distractions except [1 mark(s)] a playful classmate |
| B. | the tone of a ringing phone |
| C. | aroma of food |
| D. | anxiety on the result of a test |
| | All these are examples of internal distractions except [1 mark(s)] dizziness |
| B. | anxiety |
| C. | car horns |
| D. | anger |
| | The internet is beneficial to note-making because [1 mark(s)] you can get different games on it |
| В. | you can get more materials from it |
| C. | you can get more friends from it |
| D. | you can get more songs from it |
| | In the note-making process, students should ask themselves questions on all these except [1 mark(s)] how to tackle past questions on a topic |
| В. | if the lecturer has said all that the student need to know |
| C. | if the time of lecture is not clashing with the lunch time |
| D. | the possible angles to use in talking the topic |
| | All these are information to note from journals articles during note-making except [1 mark(s)] the time of study |
| B. | the name of the author |
| C. | the page number |
| D. | the year of publication |
| | All these are more necessary for effective note-making except [1 mark(s)] a class notebook |
| | a pen |
| | an internet –enabled phone |
| | a headphone |
| Α. | All these are commonly used for note-taking except [1 mark(s)] a tape recorder |
| | a notebook |
| | a pen |
| D. | a course manual |
| | Reading is one of the two productive skills of language. [1 mark(s)] TRUE |
| B. | FALSE |
| C. | True and false |
| D. | None of the above |
| | Reading is an oracy skill. [1 mark(s)] |

| C. True and false | |
|---|----|
| D. None of the above | |
| 153. One can read without being able to write. [1 mark(s)] A. TRUE | |
| B. FALSE | |
| C. True and false | |
| D. All of the above | |
| 154. Reading is a literacy skill because [1 mark(s)] | |
| A. It is acquired through formal education | |
| B. It is easy | |
| C. It is difficult | |
| D. It prevents understanding | |
| 155. Reading andare the receptive skills of language. [1 mark(s)] A. Listening | |
| B. Speaking | |
| C. Researching | |
| D. Evaluating | |
| 156. Name the two processes involved in reading [1 mark(s)] | |
| A. Physical and mental | |
| B. Psychological and physical | |
| C. Mental and psychological | |
| D. Physiological and philosophical | |
| 157. Another word for reading deficiency is [1 mark(s)] | |
| A. Defect | |
| B. Effect | |
| C. Efficiency | |
| D. Accuracy | |
| 158. The two main stages involved in reading are [1 mark(s)] A. Learning to read and reading to learn | |
| B. Learning to write and writing to learn | |
| C. Learn to speak and speaking to learn | |
| D. Learning to teach and teaching to learn | |
| 159. Reading of the words, phrases and sentences that are not actually there in the passage is referred to | [1 |
| mark(s)] A. Insertion | |
| B. Omission | |
| C. Regression | |
| D. Deletion | |
| | |
| 160. Glancing back and re-reading words, phrases and sentences that had earlier been read is referred to as [1 mark(s)] | |
| A. Repetition | |
| B. Vocalization | |
| C. Insertion | |
| D. Omission | |
| 161. One of the major causes of repetition and omission in reading is [1 mark(s)] A. Lack of concentration | |
| B. Lack of ideas | |
| C. Ability to comprehend quickly | |
| D. Head movement | |
| 162. The number of words the eyes can see at a fixation on a print is [1 mark(s)] A. Recognition pan | |
| B. Recognition eye | |
| C. Recognition span | |
| D. Quick recognition | |
| 163. The way the eyes move across the line of the print is [1 mark(s)] | |
| | |

| C. Difficult movement | |
|--|------|
| D. Rhythmic head movement | |
| 164. Reading defects include [1 mark(s)] A. Vocalization and sub-vocalisation | |
| B. Head movement and leg movement | |
| C. Pointing to words and pointing to people | |
| D. Regression and progression | |
| 165. The acronym SQ3R represent [1 mark(s)] | |
| A. Survey, question, read, recall and review | |
| B. Survey, query, read, recall and review | |
| C. Survey, query, revise, recall and review | |
| D. Search, question, read, recall and review | |
| 166. The normal speed of reading is [1 mark(s)] | |
| A. 250 words per minute | |
| B. 350 words per second | |
| C. 450 words per minute | |
| D. 250 words per second | |
| 167. The fastest reading speed is [1 mark(s)] | |
| A. Scanning | |
| B. Skimming | |
| C. Skipping | |
| D. Surveying | |
| 168. The purpose of skimming is [1 mark(s)] A. The location of the main ideas of the text | |
| B. To read 250 words per minute | |
| C. To locate the name of the author | |
| D. To practice quick assimilation | |
| 169. The effect of reading deficiency on the reader is [1 mark | (a)] |
| A. Difficult comprehension | (2)] |
| | (5)] |
| A. Difficult comprehension | (5)] |
| A. Difficult comprehension B. Quick comprehension | (5)] |
| A. Difficult comprehensionB. Quick comprehensionC. Easy assimilation | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] | (5)] |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression C. Insertion | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression C. Insertion D. Omission | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression C. Insertion D. Omission | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression C. Insertion D. Omission 173. The levels of reading comprehension are [1 mark(s)] A. 3 | |
| A. Difficult comprehension B. Quick comprehension C. Easy assimilation D. Academic excellence 170. What does SQ3R mean? [1 mark(s)] A. It is a study reading technique B. It is a writing strategy C. It enhances listening D. It builds speech confidence 171. Vocalization refers to [1 mark(s)] A. Whispering the words you are reading to yourself B. Saying the words you are reading to another person C. Singing while reading D. Talking while reading 172. Chewing gum is a remedy for [1 mark(s)] A. Vocalization and sub-vocalisation B. Regression C. Insertion D. Omission 173. The levels of reading comprehension are [1 mark(s)] A. 3 B. 4 | |

| C. | Critical reading |
|------|--|
| D. | Creative level of reading |
| | One of the importance of reading is [1 mark(s)] It deepens your knowledge in your area of specialization |
| | It gives room for laziness |
| | It limits reading comprehension |
| | It hinders academic excellence |
| | |
| | In surveying a book, you must take note of the following, except, [1 mark(s)] The aesthetic design of the book |
| B. | Title page |
| | Preface |
| D. | Author's remarks and introduction and table of contents |
| | One of the tips for remembering key details while reading is¬¬¬¬¬¬¬¬¬¬¬¬¬¬¬¬¬¬ [1 mark(s)]. Reading in a conducive environment |
| В. | Reading aloud |
| C. | Reading an incomplete note |
| D. | Reading in a noisy environment |
| 178. | Note-making is a required skill for effective reading [1 mark(s)] |
| Α. | . TRUE |
| В. | FALSE |
| C. | True and false |
| D. | All of the above |
| 179. | is the first of the three Rs in the acronym SQ3R [1 mark(s)] |
| A. | . Read |
| В. | Review |
| C. | Recall |
| D. | Research |
| | The second R of the three Rs in the acronym SQ3R is [1 mark(s)] Review |
| В. | Recall |
| C. | Read |
| D. | Research |
| | Glancing back while reading is known as [1 mark(s)] |
| | Vocalization |
| | Repetition |
| | . Regression |
| | Rhythmic eye movement |
| A. | is the fastest reading speed [1 mark(s)] Skimming |
| | Glancing |
| | . Scanning |
| D. | Normal reading speed |
| | The S IN SQ3R stands for [1 mark(s)] Study |
| В. | Survey |
| C. | Scan |
| D. | Skim |
| | The normal speed for reading is words per minute [1 mark(s)] 150 |
| | 350 |
| | . 125 |
| | . 250 |
| | is the skill used for searching main ideas in the text [1 mark(s)] |
| | Insertion |
| | Skimming |

| D. Glancing |
|--|
| 186. The whole essence of study reading is [1 mark(s)] |
| A. Recalling |
| B. Question |
| C. Reviewing |
| D. Listening |
| 187 is a device for remembering facts and details [1 mark(s)] |
| A. Abbreviation |
| B. Code |
| C. Mnemonic |
| D. Survey |
| 188. The second R in SQ3R stands for [1 mark(s)] A. Remember |
| B. Read |
| C. Reread |
| D. Recall |
| 189. Understanding when reading is being able to what has been read [1 mark(s)] A. Reproduce B. Scan |
| C. Reread |
| D. Skim |
| 190. Recalling is the of study reading [1 mark(s)] |
| A. Climax |
| B. Creativity |
| C. Background |
| D. Conclusion |
| 191. All of the following except one is checked when surveying a book [1 mark(s)] A. Title page |
| B. Table of contents |
| C. Foreword |
| D. Body of the book |
| 192. Reviewing includes surveying the whole material again from the beginning [1 mark(s)] A. TRUE |
| B. FALSE |
| C. Sometimes |
| D. Never |
| 193. Scanning is a skill used when searching for a/an in a dictionary [1 mark(s)] A. Idea |
| B. Word |
| C. Meaning |
| D. Example |
| 194. The entire material is read during the reading speed [1 mark(s)] A. Skimming |
| B. Normal |
| C. Selective reading |
| D. Scanning |
| 195 slows down reading speed [1 mark(s)] A. SQ3R |
| B. Regression |
| C. Scanning |
| D. Skimming |
| 196. There are identified speeds of reading [1 mark(s)] A. Four |
| B. Six |
| C. Five |

| | The Q in SQ3R stands for [1 mark(s)] |

| В. 9 | Slower |
| C. (| Quicker |
| | Mental |
| | Reading in a peaceful and conducive atmosphere helps to stay [1 mark(s)] Distracted |
| В. І | Focused |
| C. I | Fresh |
| D. I | Disturbed |
| 203. | Skimming is reading for the main points [1 mark(s)] |
| A. 9 | Slowly |
| В. 1 | Normal |
| C. | Rapidly |
| D. F | Progressively |
| | Scanning is reading rapidly to find [1 mark(s)] Specific information |
| В. Т | Techniques Techniques |
| C. I | Puzzles |
| D. I | Hidden meaning |
| | The mastery of one subject will lead to the mastery of another [1 mark(s)] FALSE |
| В. | TRUE |
| | SQ3R is a strategy for reading speed [1 mark(s)] |
| | Survey |
| | Review |
| | Normal |
| | Study |
| | Surveying helps to establish the purpose of reading [1 mark(s)] TRUE |
| | FALSE |
| B. I | |
| | Never |
| C. I | Never Seldom |

| D. Vocalization | |
|---|-------|
| 209. The remedy for omission reading defect is [1 mark(s)] A. Reading in a noisy environment | |
| B. Chewing gum | |
| C. Improved reading concentration. | |
| D. Placing a large eraser in the mouth | |
| 210. The third R in the formula SQ3R stands for [1 mark(s)] A. Remember | |
| B. Review | |
| C. Recall | |
| D. Read | |
| 211 is any impediment to efficient reading. [1 mark(s)] | |
| A. Noise | |
| B. Reading Deficiency | |
| C. Critical Reading | |
| D. Literal reading | |
| 212. One of the following is not a reading defect [1 mark(s)] A. Head movement | |
| B. Vocalisation | |
| C. Repetition | |
| D. Progression | |
| 213. Reading word by word within yourself without engaging the vocal chords is called [1 mark(s)] A. Sub-vocalisation | |
| B. Vocalisation | |
| C. Omission | |
| D. Insertion | |
| 214. One of the following is not a remedy for head movement [1 mark(s)] A. Rhythmic eye movement | |
| B. Recognition span | |
| C. Improved reading concentration | |
| D. Advanced training in word attack | |
| 215. Reading deficiency is also referred to as the following except [1 mark(s)] A. Reading faults | |
| B. Reading defects | |
