

**Bowen University Iwo**  
**(of the Nigerian Baptist Convention)**  
**College Of Environmental Sciences (COEVS)**  
**Architecture Programme**

**Course Title:** Interior Design

**Course Code:** ARC 306

**Duration:** 3 hours

**Brief:** Design/rethink a Public Restroom

As an interior designer, you are expected to design and develop a brief for a public restroom of 8.5 m by 3.5 m. This project should consider functionality, inclusiveness, aesthetics, user comfort, and efficiency that reflect the best possible fit for the brief.

Design Elements to include but not limited to the following:

Analysing space, Layout and Space Planning (zoning of functions, flow pattern), material and their finishes (durability etc.), lighting, fittings and fixtures, colours, flooring, and others.

Clearly spell out what you aim to achieve – your drawing(s) should speak.

**Deliverables not limited to the following:**

Portfolio

Introduction and brief craft

Presentation drawings

Construction documents (like details)

Interior Elevations

Sections (optional)

Perspective(s)
